# Highlights

## 100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

## 100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

## 100% fast

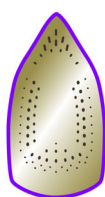

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

## Tested & approved by experts:

This iron is tested and approved by independent textile experts institutes.

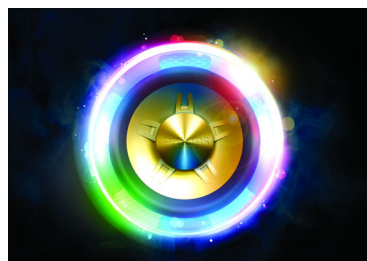

## Anodilium soleplate

## Anodilium

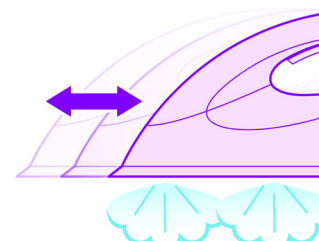

Excellent gliding, excellent scratch resistance, excellent to clean, excellent durability!

## 2600 W for fast heat up

2600 W iron for fast heat up and powerful performance on all your ironable garments.

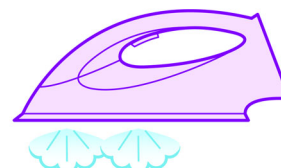

## Auto Steam Sensor

## Auto steam sensor

The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

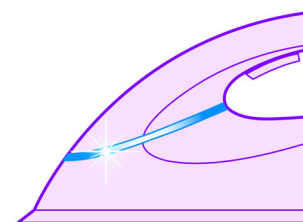

## Constant steam up to 50 g/min

## 50 g/min continu

Constant powerful steam up to 50 g/min for better crease removal for all your garments.

## Smart light feedback

## Smart light feedback

Smart light feedback indicates the status of the iron at any time.

# Specifications

## Fast & powerful crease removal

- Soleplate: Anodilium
- OptimalTemp Technology
- Continuous steam output: 50 g/min
- Steam tip
- Power: 2600 W
- Vertical steam

## Easy to use

- Water tank capacity: 320 ml
- Drip stop

- Soft grip
- Safety auto off
- Cord storage: Cord clip
- Power cord length: 2.5 m
- Cord freedom (swivel): 360 degree cord freedom
- Safe for all fabrics: Even for delicates like silks

## Calc management

- Suitable for tap water
- Calc clean solution: Anti-calc tablets + rinsing
